

It's Not Too Late to Participate in the 2010 Census!

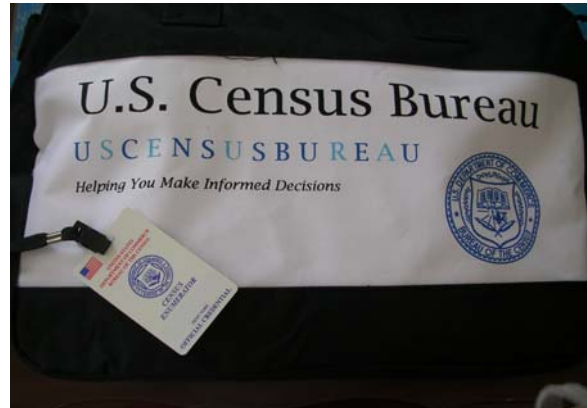

DID YOU KNOW there's only **6 weeks left** to participate in the 2010 Census? If you didn't mail back your Census form, then you're guaranteed a visit by a Census taker. Door-to-door visits to households that did not mail back their Census forms began on Saturday, May 1st and will continue through July 10th. The Census taker will ask you for your responses to the 10 questions on the Census form, which should only take about 10 minutes to complete. Help keep LA \$\$ in LA by cooperating with Census takers and providing answers for the 2010 Census!

Avoid Census Scams

All Census takers carry an official badge and a shoulder bag – both with the U.S. Department of Commerce seal – and a binder. If you're still not sure about their identity, please call the Los Angeles Regional Census Center at (818)-717-6700 to verify their employment by the U.S. Census Bureau.

Beware! Official Census takers **will not** ask the following:

- To enter your home
- For a Social Security number
- For financial information
- For a driver's license
- About your immigration status
- For donations
- For a signature
