

The two keys to the future? Technology, and the people who'll be using it.

It strengthens communities. And transforms lives. That's why AT&T is so committed to improving education, especially through the greater use and understanding of technology. In fact, more than half of our contribution dollars and volunteer hours benefit education in some way. Because who knows, the student we help today could be the scientist, doctor or business leader who helps someone else tomorrow.

AT&T is proud to present
