## Mi Tierra Bonita

I am from tasty pozole to juicy hamburgers  
From energetic soccer to rough football  
From waking up to music of Vincente Fernandez  
To falling asleep with music of Chris Brown

I am from my mother and father  
From the promise of friendship and love  
To the hatred of people

I am from loud booming music in quinceaneras  
To the soft sound of birds in the morning  
I am from the Revolution Mexicana  
To World War II

I am from loud Los Angeles  
To peaceful and quiet Jalisco  
From multicultural people to old but still standing traditions

From my Tierra Bonita  
To my Latino LA
